

PRODUCT PROFILE

CHEMLINK SEALANT

TUFF SYSTEM ADVANTAGE

Chem Link has an established reputation in the commercial roofing market. Over the past twenty plus years they have developed a broad spectrum of products to help the commercial roofing contractor provide the best possible finished product. Chem Link's superior technology offers non shrinking, high performance characteristics, that are solvent free, odourless, and present no risk to workers or building occupants. Tuff Industries is a proud distributor of Chem Link sealants as part of our proven waterproofing system.
